Final-Paper Submission Deadline
Closed

Registration Deadline
2 June, 2023

Conference Date
19-20, June 2023

ABOUT THE CONFERENCE

The rapid proliferation of communication technologies and software engineering practices have witnessed the fast-growing research interests in information and communication technologies and social networking, which tends to play an integral part in our daily lives. The 3rd International Conference on Pervasive Computing and Social Networking [ICPCSN 2023] promotes the development of pervasive communication systems and pursuing Social Networking applications for communication platforms, networks and devices. ICPCSN 2023 aims to collaborate and promote state-of-the-art research works on the conceptual, constructive, empirical, theoretical and practical implementations of pervasive Computing and Social Networking methods for developing more novel ideas and innovations in the emerging Information and Communication Technologies [ICT].

ABOUT THE COLLEGE

Established in the year 2008 with the motive of developing technically and socially responsible engineers. NSIT Situated in Salem on the National Highway connecting Salem to Bengaluru, is a sprawling Wi-Fi campus of 22.5 acres with spacious smart classrooms, well stocked digital library, comfortable hostel and a soothing ambience for higher education. Now stands as a benchmark for academic excellence and industrial placements in the region. Our college is promoted by Smt.Mahalakshmi Ammal Educational Trust, whose members are veterans in the industry and academia. The Founder Thiru. R. P. Sarathy Ayya, is a great Entrepreneur, Educationalist and Philanthropist, who laid the foundation stone of this institution on January 26th, 2008.
